Sessions (18 PDUs)**

Next Month's Guest Speaker

Arthur
Garcia,
PMP

Mr. Garcia is a retired United States Air Force (USAF) officer and a service-disabled veteran, eager to serve the next generation of government, industry, and non-profit leadership and management professionals by applying his skills, training, knowledge, and experience to help solve today's organizational, program, and project challenges.

During his 20 year active duty service with the USAF, he executed his duties and responsibilities in a variety of leadership positions including Research & Development Project Manager, Test & Evaluation Manager, Systems Engineer, Logistician, Software Development Program Manager, and Acquisition Policy Analyst. Since retirement from the USAF, Mr. Garcia entered industry as a program/project management consultant and instructor. In addition to his PMP certification, his other certifications include Defense Acquisition Workforce Improvement Act (DAWIA) Level III Program Management, Level II Test & Evaluation, and Level I Acquisition Logistics. Mr. Garcia's instructor experiences include the Defense Acquisition University (DAU), George Mason University's Learning Solutions, and the University of Maryland Graduate School of Public Policy.

Mr. Garcia holds an MA in Organizational/Human Resource Development from Abilene Christian University and a BS in Electrical Engineering from Texas A&M University.

6/28/17 - Monthly Membership Meeting - (Strat. & Bus. Mgmt. - 1.5 PDU's) Topic: Earned Value Management Got Me This Far; NOW

Tonight's Guest Speaker

Chris Arricale
PMP, CPHIMS

Chris is an energetic and focused leader dedicated to improving healthcare delivery and individual wellness through sound project management execution, process improvements, and constant customer focus. Chris spent 25 years in the Air Force and retired from active duty as a Medical Service Corps Officer in 2010. Currently Chris leads the Business Operations Project Office for WellMed Medical Management, a healthcare delivery network serving more than 300,000 Medicare-eligible seniors in Texas and Florida.

Chris holds a Bachelor of Science in Health Care Administration and a Master of Science in Business and Organizational Management. His professional certifications include Project Management Professional and Certified Professional, Healthcare Information and Management Systems Society (CPHIMS). At the request of the Healthcare Information and Management Systems Society (HIMSS), Chris co-authored a comprehensive CPHIMS certification exam review guide titled: "Preparing for Success in Healthcare Information and Management Systems: The CPHIMS

Review Guide, Second Edition"

5/31/17 - Monthly Membership Meeting - (Leadership - 1.5 PDU's) Topic: The Lost Art of Mentorship in Project Management
